Winter Parking Restrictions

Winter parking regulations will once again be in effect starting December 1. The Village of Glenview bans overnight parking between 2 a.m. and 6 a.m. during the winter months, until March 31, to facilitate snow removal and public safety.

Security Alert!

In light of recent burglaries in and around Haverford recently, we ask everyone to be diligent and to report anything unusual to the police.

Since so many are out of town for extended periods, we remind all that if you see something, say something.

Holiday Decorations Removal

The Village will be picking them up. For **single family homes**, put out the live tree, wreaths and garlands for the regular garbage collection *without* plastic bags.

For the **condo building**, check with your Board about disposal.

Watch for the next issue of the Glenview Newsletter for more info about recycling live trees and string lights.

Reminders

- The Village reminds us to keep our garbage and recycling containers on the curb, not in the street, so that the snowplows cannot hit them.
- Parking on the sidewalks anywhere is prohibited. They are not designed to

hold the weight of a car, and the cost for repair is on our community.

- Remember that the parking spaces in front of the condominium building are not for general use—they belong to the condo.

Exterior Changes to Property

As we look toward spring, here are basic Haverford Rules and Regulations:

- If you wish to make any alterations, additions or changes to your landscaping, or to any exterior feature of your house, you must first submit an application to the Board.
- Applications are available from the Property Manager, Kathy Kreutter, at 847-459-1222 ext 3320.
- No work may begin until you have received approval from the Board.
- Refer to the Declaration and Rules and Regulations which can be found at www.haverfordhoa.com
