Happy New Year!!

Following are some items for your information.

We Need Your Help on this:

There is a BLACK HONDA SUV which has been parked in the Condominium parking lot for some time now. It has IOWA PLATES.

The parking lot in front of the condo is private parking for condo residents, and cannot be used by single family homeowners. Nor can it be used for any kind of long-term storage a vehicle.

If anyone knows who the owner is, please call our Property Manager, Kathy Kreutter, at (847) 459-1222.

There can be fines assessed if the vehicle is not removed.

Winter Parking Restrictions

Winter parking regulations are once again in effect. The Village of Glenview bans overnight parking during the winter months to facilitate snow removal and public safety. The specific regulation reads:

Overnight parking between 2 a.m. and 6 a.m. is prohibited on all public streets in the Village from December 1 – March 31.

In addition, our Association has the same regulation for all our streets.

Also, please inform your overnight guests of this restriction.

Thanks for your cooperation.
