Auto Debit Your Monthly Assessment!

Did you know that you can have your monthly assessments automatically deducted? It is the easiest way to be sure that you pay your assessments on time. You can obtain a form from our Property Manager, Kathy Kreutter, at (847) 484-2109

Google Group, Anyone?

Secretary Diane Gazda has suggested that the community start up a Google Group in order to facilitate communication among the Haverford Homeowners. Diane has brought this up at two previous meetings, to positive response. This would require any owners who were interested to send their email addresses to Diane, so that she could build the Google Group base.

If you would like to participate in this, please send the attached form to Diane Gazda by November 30.

Winter Parking Restrictions

Winter parking regulations will once again be in effect starting December 1. Don't forget that the Village of Glenview bans overnight parking during the winter months to facilitate snow removal and public safety. The specific regulation reads:

Overnight parking between 2 a.m. and 6 a.m. is prohibited on all public streets in the Village from December 1 – March 31.

Reminders

- The Village would also like to remind us to keep our garbage and recycling containers on the curb, not in the street, so that the snowplows can't hit them.
- And please remember that the parking spaces in front of the condominium building are not for general use—they belong to the condo.

Property Tax Appeal for Single Family Homes

We have made a group appeal for a reduction in the property taxes. Stay tuned!

Christmas Tree Removal

When you're finished with the tree, the wreaths and the garlands, the Village will be picking them up. For single family houses, put them out for the regular garbage collection. For the condo building, check with your Board where they should be placed

2014 Board Meeting

We will not be having another Board meeting until 2014. In the meantime, we wish you very happy Thanksgiving, happy holidays and a joyous and peaceful New Year.
